

# TRINITYHOUSE SCHOOL CLASSIFIEDS

The Trinityhouse Classifieds was started in July 2004 with the intention of giving parents of the school who either own a business or have a partnership in a business, the opportunity to grow their business. This has now grown to friends of parents & neighbours etc. wanting to advertise in the Classifieds due to the popularity and success of people advertising.

All money received from parents advertising in the Trinityhouse Classifieds is used by the Parents Association to fund projects that will better the experience of both parents and scholars at the school. Previous projects funded by the PA are the shading on the pavilions at the swimming pool, heating & lighting of the pool and building of the Pavilion. **Thank you for the support!**
